

Editor's Note

In this report, we analyze THK's relationship with CSR in its efforts to solve social challenges. In addition, we consider the role our company plays in achieving the SDGs. As always, we cover our company's various activities in the "Management Structure," "Involvement in Society," and "Harmony with the Environment" sections.

We will continue to pursue initiatives that will earn the trust of our stakeholders and disclose that information in a suitable manner. To that end, we would like to hear your thoughts about this

report. Your opinions are valued and will guide us in our future CSR endeavors and the creation of future reports, so please use the attached survey to send us your honest thoughts and opinions.
